The Feast of Frankenstein!

Only 150 brave souls per night will be admitted to pass through the gates of Castle Frankenstein. A torch-lit path will lead you to the Castle Laboratory, where the Good Doctor wants to share with you his latest scientific achievements along with a six-course meal prepared by the Castle Chef. You'll be screaming "Its alive!" before the evening is out! The horror of Frankenstein's monster is just beginning...

Tickets are \$45.00 each and include a 6-course meal, two hours of entertainment, and commemorative goblet! **Call (913) 721-2110**

This is a PG-13 rated event at the very least and not for little ears or the faint of heart.

2012 Phantom's Feaste Dates:
